

Help the NH Fire Academy, NH Emergency Medical Services, and the United States Marine Corps to deliver a message of hope to less fortunate youngsters who live in the greater Concord Area through the 2014 Toys for Tots campaign.

Two large containers have been placed in the lobby of the Administration building at 98 Smokey Bear Boulevard awaiting your toy donations that will be given to neighborhood children.

Our hope is that, with this effort and your generous support we will help our young people appreciate the season and help them to learn community and responsibility for each other.

Please bring an unwrapped new toy to the NH Fire Academy Administration building on 98 Smokey Bear Boulevard any time between 8:00 a.m. and 4:30 p.m. Monday-Friday between now and Friday, December 15.

Thanks for your participation in the 2014 Toys for Tots Campaign! Together we'll improve the lives of many in the Greater Concord area.
